SUBJECT No. 364.

Restoration of the temple of Sri Renukamba at Chandragutti.

Messrs. Yagaiyana Krishnappa and Yagaiyana Subba Rao, Sagar Taluk

Summary of discussion.—The temple of Sri Renukamba is in disrepair. Further there is no accommodation for the pilgrims who go there during the Dasara and the water-supply is extremely meagre at the time of the car festival. As this is a very ancient temple and as a big jatra also is held in the locality, it is prayed that the temple may be properly restored and steps taken to afford the necessary conveniences to the pligrims visiting the shrine.

Reply of Government.—Will be referred to the Deputy Commissioner.

To

C. S. Balasundaram Iyer Esquire, B. A.,

Officiating Secretary to the Government of

His Highness the Maharaja of Mysore,

Muzerai Branch,

BANGALORE.

Sir,

In forwarding herewith for your information a copy of the recommendation re the restoration of Sri Renukamba temple at Chandragutti made by Messrs. Nadig Lakshman Row and Bhaskar Row, Representative members for the Sorab Taluk, in the preliminary meeting held for the selection of subjects to be sent up for discussion at the ensuing Session of the Representative Assembly, I have the honor to state that an estimate for the repairs of this temple was sent up for sanction with this office letter No. 437/42 dated 1st April 1910. As this institution is one of antiquity, resorted to by pilgrims from distant parts, and as it is situated in a region of heavy rainfall, it is very necessary that its repair should be taken up very early. The subject, moreover, has been pending for a long time, and the present condition of the building is reported to be very deplorable.

Under the above circumstances I request that sanction of Government may be accorded at a very early date to the estimate referred to above.

I have the honor to be,

Sir,

Your most obedient servant,

Subject No. 364 of 1908
Reply of Government — "will be referred to the Deputy Commissioner"

Messrs Nadig Lakshmanrao and Bhaskara Rao, members for the Sorab Taluk. Repairing the temple of Sri Renukamba at Chandragutti

Local

The temple of Sri Renukamba at Chandragutti is an old and famous temple to which pilgrims from distant parts come annually for the car-festival. The temple is now very much in disrepair, and if its repairs are not taken up early, it is feared that some portions of the building may come down. The dilapidated condition of the building causes a diminution both in the number of visitors and also in the income of the temple. As this subject has been long under correspondence without anything substantial being done for the restoration of the temple, it is prayed that necessary steps may be taken at once for restoring this ancient institution.

To C. S. Balasundaram Esq B.A.,
Hg:- Secretary to the Government
of Mysore, General & Revenue
Muzrai Branch Dept

Sir,

I have the honor to state that during my visit to Chandragutti, in the Sorab Taluk, on the 10th ultimo for Jamabandi of that Hobli, I inspected the Sri Renukamma's Temple there. The temple is one of ancient and historic renown and of considerable architectural - - beauty decorates from various parts of the province and from British India visit the place almost every day. The temple requires urgent repairs and if it is not repaired promptly, it is likely to come down during this raining season

I would therefore request you to be so good as to obtain sanction of Government to the estimate amounting to Rs 200/- herewith submitted for making the roof water tight

3. The amount of the estimate may be met out of Rs 6244-3-9 available at the Credit of the institution on 1st April 1911-

4. Early orders may be passed in the matter so that the work may be put in hand early and completed before the rainy season Commences.

5. Orders have been issued to the Amildar of Sorab Taluk to submit a revised estimate as directed in Government order no: 2840 dated may 1911-08-10

6th may 1911

order thereon, viz —

The Deputy Conr had originally submitted an estimate for Rs 600 for covering the roof of the temple with patent Ruberoid roofing. The chief Engineer ~~opinion being called for on the estimate, he stated~~ who was consulted in the matter is of opinion that Ruberoid roofing ~~has been~~ which was used for the same purpose in Saklespur (Hassan Dt) where the rainfall is about the same as in Sagar was found to be quite unsuitable and that good concrete & plaster ought to answer, in this case. The Dy Conr was thereupon requested to submit a revised estimate in the light of the ch. Engineer's opinion. and he has now submitted the present estimate for Rs 200/- for making the roof watertight with Concrete & plaster.

The estimate for Rs 200/- is sanctioned. It is presumed that the final revised estimate ~~is forwarded to the Controller for credit~~

~~For Chief Sec~~
